# LAKE ERIE SHORES

A LUXURY MOTORCOACH RESORT

There are moments when your freedom needs a new direction. Not to escape, but to rediscover yourself.

To move toward a place where time feels different, where the air smells of calm, and every sunrise invites you to begin again. Just an hour from Cleveland, in Geneva-on-the-lake, hospitality has history and the landscape has soul.

Here, in Ohio's first summer resort, an experience is reborn—created for you, for your family, for those seeking something more than a destination: a place where freedom becomes a lifestyle.

Lake Erie Shores is a Luxury MotorCoach Resort designed for those who travel with purpose and know that true luxury lies in choosing how to live. It's not a stopover. It's your landing point, your refuge, your own space. Here you can build your lot, design your home, and stay as long as you want.

Wake up to the sun's reflection on the water, walk to the clubhouse, dive into the pool that merges with the horizon, or toast in the bier garden as evening falls. Because in your north, your freedom isn't measured in miles, but in moments—in the place you know you want to be.

Lake Erie Shores. A Luxury MotorCoach Resort. Your freedom has a new north.

Lake Erie Shores a Motorcoach Resort, luxury meets leisure just steps from the water— and the lighthouse that defines our brand becomes a symbol of what this place truly is: guidance, direction, and the feeling of finally arriving where you're meant to be.

Here in Geneva-on-the-Lake—Ohio's first summer resort—every detail carries history, calm, and the quiet charm of the North. Our community has already

set the standard for upscale MotorCoach living, and the best is still ahead.

With expanded amenities, new activities, and elevated guest experiences on the way, we're shaping a destination built for those who choose their own path and know the value of having a place that feels like home. A place you can return to, grow in, and enjoy for years to come.
